

## **WSEF Randy S. Reinking Memorial Scholarship**

Randy Reinking was born and raised in Ireton, the son of Arlan and Sharon Reinking. He graduated from West Sioux High School in 1982. He attended Sioux Empire Junior College and the University of South Dakota. During his academic career, math and science were his focus, leading him to the decision to choose health care as a profession. Randy also actively participated in athletics, his passion being football, basketball and baseball. He had been accepted into the USD Medical School prior to his untimely death on December 28, 1985.

The recipient will be selected by the Reinking family or their appointed representative based on review of a completed application. Preferential treatment will be given to applicants with strong success in math and science classes, a high level of athletic participation and an interest in health care as a profession.

This scholarship is awarded annually to a graduating West Sioux Senior. The scholarship amount is determined by the interest generated annually on a \$10,000 fund managed by the West Sioux Educational Foundation. The scholarship will be presented to the student following successful completion of the first semester at their chosen educational institution.

Please fill out each question as completely as you can and return to the Guidance Counselor at West Sioux High School.
